

Fact Sheet CSL Behring

2009/10 Sales

By Region

- 47 North America
- 20 Western Europe
- 18 Central Europe
- 6 Japan
- 9 Intercontinental

By Area

- 40 Immunoglobulins
- 20 Critical Care
- 18 Plasma-derived Coagulation
- 16 Recombinant Factor VIII
- 2 Pulmonary Therapies
- 4 Other

Therapeutic Focus

CSL Behring is a leader in the plasma protein therapeutics industry. Committed to saving lives and improving the quality of life for people with rare and serious diseases, the company manufactures and markets a range of plasma-derived and recombinant therapies worldwide.

CSL Behring therapies are indicated for the treatment of coagulation disorders including hemophilia and von Willebrand disease, primary immune deficiencies, inherited respiratory disease and hereditary angioedema. The company's products are also used in cardiac surgery, organ transplantation, burn treatment and to prevent hemolytic diseases in newborns.

CSL Behring operates one of the world's largest plasma collection networks, CSL Plasma. CSL Behring is a subsidiary of CSL Limited, a biopharmaceutical company headquartered in Melbourne, Australia. For more information, visit www.cslbehring.com.

Employees9,000+ employees in 19 countries

HeadquartersKing of Prussia, Pennsylvania, USA

Plasma Collection.....CSL Plasma is one of the world's largest plasma collection organizations. The company operates collection centers across the United States and Germany. Headquarters are in Boca Raton, Florida. Testing laboratories are located in the United States and Germany.

ManufacturingBern, Switzerland; Marburg, Germany; and Kankakee, Illinois, USA

R&DCSL integrated R&D includes facilities in Marburg, Germany; Bern, Switzerland; King of Prussia, Pennsylvania, USA; Kankakee, Illinois, USA; Tokyo, Japan; and Broadmeadows and Parkville, Australia

2009/10 SalesApproximately U.S. \$2.98 billion

THERAPY TREATMENT

ImmunoglobulinsUsed for treatment of immunological disorders, such as primary immune deficiency, idiopathic thrombocytopenic purpura, Guillain-Barré syndrome and hemolytic disease of the newborn

Coagulation.....Coagulation or bleeding disorders, including hemophilia and von Willebrand disease

Respiratory.....Used for treatment of Alpha₁-antitrypsin deficiency (hereditary emphysema)

Critical CareUsed for treatment of hereditary angioedema and for the treatment of shock, burns and sepsis

Wound HealingUsed during surgery and for wound healing

Other.....Used to prevent cytomegalovirus infection in patients following solid organ transplant

Global Product Portfolio* CSL Behring

| Therapy | Product Name | Non-Proprietary Name | Product Description |
|----------------------|--|---|---|
| Coagulation | Helixate® FS, Helixate® NexGen | Recombinant coagulation factor VIII | Freeze-dried recombinant factor VIII |
| | Monoclate P® | Human coagulation factor VIII | Freeze-dried monoclonal antibody purified factor VIII concentrate |
| | Beriate® | Human coagulation factor VIII | Freeze-dried factor VIII concentrate |
| | Humate® P, Haemate® P | Human coagulation factor VIII / von Willebrand factor complex | Freeze-dried factor VIII: C and von Willebrand factor concentrate |
| | Stimate® | Desmopressin | Synthetic desmopressin acetate nasal spray |
| | Mononine® | Human coagulation factor IX | Freeze-dried monoclonal antibody purified factor IX concentrate |
| | Berinin® P | Human coagulation factor IX | Freeze-dried factor IX concentrate |
| | Factor X P Behring | Human coagulation factor IX and X | Freeze-dried factor IX and factor X concentrate |
| | Fibrogammin® P, Corifact™ | Human coagulation factor XIII | Freeze-dried factor XIII concentrate |
| | Octostim® | Desmopressin | Synthetic desmopressin acetate nasal spray |
| Critical Care | Beriplex® P/N | Human prothrombin complex | Freeze-dried prothrombin complex concentrate |
| | Haemocomplettan® P, RiaSTAP™ | Human fibrinogen | Freeze-dried fibrinogen (factor I) concentrate |
| | Kybernin® P | Human antithrombin III concentrate | Freeze-dried antithrombin III concentrate |
| | AlbuRx®, Alburex, Human Albumin Behring, Albuminar® 25 | Human albumin solution | 5%, 20% or 25% human albumin solutions |
| | Beriner® P | Human C ₁ -esterase inhibitor | Freeze-dried C ₁ -esterase inhibitor concentrate |
| | Streptase® | Streptokinase | Freeze-dried streptokinase |
| Immunology | Hizentra® | Human normal immunoglobulin | Liquid 20% immunoglobulin solution, ready-to-use for SC administration |
| | Carimune® NF, Sandoglobulin®, Sanglopor® | Human normal immunoglobulin | Freeze-dried immunoglobulin formulations for IV administration |
| | Sandoglobulin® NF Liquid, Redimune®, Redimune® NF Liquid | Human normal immunoglobulin | Liquid 12% immunoglobulin solution for IV administration |
| | Vivaglobin® | Human normal immunoglobulin | Liquid 16% immunoglobulin solution for SC administration |
| | Rhophylac® | Human anti-D immunoglobulin | Prefilled syringes of highly purified anti-Rhesus factor D IgG for IV administration and IM injection |
| | Cytogam® | Human cytomegalovirus immunoglobulin | Liquid immunoglobulin containing a standardized amount of antibody to cytomegalovirus |
| | Berirab® P | Human rabies immunoglobulin | Liquid 16% solution for IM injection |
| | Beriglobin® P | Human hepatitis A immunoglobulin | Liquid 16% solution for IM injection |
| | Hepatitis B Immunoglobulin P Behring | Human hepatitis B immunoglobulin | Liquid 16% solution for IM injection |
| | Tetagam® P | Human tetanus immunoglobulin | Liquid 16% solution for IM injection |
| | Varicellon® P | Human varicella immunoglobulin | Liquid 16% solution for IM injection |
| | Privigen® | Human polyvalent immunoglobulin | Liquid 10% solution for IV injection |
| Pulmonary | Zemaira® | Human Alpha ₁ -proteinase inhibitor | Freeze-dried Alpha ₁ -proteinase inhibitor (A ₁ -PI) |
| Wound Healing | Beriplast® P Combi-Set | Fibrin sealant kit | Freeze-dried fibrin sealant for topical application |
| | Fibrogammin® P | Human coagulation factor XIII | Freeze-dried factor XIII concentrate |
| | TachoComb® | Fibrin sealant fleece-type | Fleece-type collagen preparations coated with fibrin glue components |
